## SUMMARY

Pursuing a third-year engineering degree (5TH SEM) from Mumbai University. Passionate about modern technologies such as artificial intelligence and cyber security. Project Experience on IOT-Based Devices for College TECH Events. Currently learning full-stack web development and eager to get hands-on experience with challenging technologies.Having a strong analytical mindset and quick learning capabilities.

## EDUCATION

- **Eklavya Academy Sr. Sec. School, Rajasthan**                                      86%
  *10th Class*                                                                        *Aug 2018 – May 2020*
- **Tagore Public School, Rajasthan**                                                 96.80%
  *12th Class*                                                                        *Aug 2020 – May 2021*
- **Atharva College , Mumbai University**                                             7.8 CGPA
  *B.E. in ECE*                                                                       *Aug 2022 – Aug 2026*

## SKILLS

- **Front End Web Development**: CSS , HTML , JavaScript

- **Backend End Web Development**: Familiar with node.js , django

- **Python Coding in Arduino UNO and Microprocessors**

- **Languages**: Java , Python , C-Programming

## PROJECTS

**Laser Light Intrusion Detection System**

- Created an advanced system using lasers to detect intruders.
- Wrote and tested the code to process data and trigger alarms.
- Integrated it with current security systems for reliable performance

**Arduino Bluetooth and Voice-Controlled Obstacle-Avoiding Car**

- Created an Arduino car that avoids obstacles using sensors.
- Added Bluetooth for remote control and voice commands.
- Wrote and tested the code to make it work smoothly.

## EARNED

- Associate of Student Council committee that organize college events

- Associate Digital Head of Annual TECH FEST (RHYTHM EMBER 23-24) at my college .

- Led the team to win the regional Kabaddi Tournament cup in 9th grade

- Achieved the distinction of being the school topper in 12th grade

## LANGUAGES

- Proficient in English
- Proficient in Hindi
